**Section 2. Duties and Functions.** The Baliwag JIAT Cluster Teams will be responsible for undertaking inspections within each year after the issuance of the business permit (new or renewal) for the following purposes only, as defined in E.O. 6, s. 2017, to wit:

- (1) Verification of information declared by the business in the Business Permit Application Form (Disclosure Verification);
- (2) Monitor continuing compliance with safety standards and regulations (“Safety”) as per national laws and local ordinances; and
- (3) Identification of unregistered businesses.

**Section 3. Areas of Concern.** The clustered teams will partake on the following areas of concern:

- (1) Non-renewal of business registration;
- (2) Non-application of business registration;
- (3) Mapping of business registration; and

the Human Resource Management Office. It is enough that a copy of the order be given, prior proceeding to inspection, to the HRMO for recording purposes;

(2) A member shall secure an available vehicle for the team;

(3) Another member shall secure the other materials necessary for the conduct of inspection, such as, but not limited to the tablets, correspondence, etc.

(4) The Baliwag JIAT Cluster Teams shall leave the municipal compound before 9:00 am, or once the above-mentioned acts has been accomplished, once their individual teams are already set.

#### *During Inspection*

(5) The team leader shall always set the conduct of inspection. He is primarily in-charge in the initial engagement with the owners and/or agents of the business establishments;

(6) The other members of the team shall only come in upon the signal of the team leader. Should there be concerns, the members have to address it immediately with the team leader;

(7) The actions of the Baliwag JIAT Clustered Teams, its leader and members, should be in accordance with section 2 hereof. The team leader, as well as the members of the various teams should always remind each other of the proper attitude and decorum in the conduct of inspection;

(8) Once the needed information is gathered, the team, before leaving, will make sure that their materials and/or documents are completely arranged, and that the informant has been left with satisfaction based on the purpose of the inspection;

(9) The routine will be the same for each establishments to be visited. The leader will always be in charge of such system, while a member should be in charge of the materials and/or documents, if applicable, during inspection.

(10) The member representing the Baliwag Investment Promotions Unit shall have the duty to explain the rationale behind the JIAT. Information, education and communication materials shall be utilized for this purpose.
